WHO IS HONEYWELL?

Business Overview

Aerospace

\$11.8 Billion

Building technologies

\$6.0 Billion

Performance materials and technologies

\$10.7 Billion

Safety and productivity solutions

\$6.9 Billion

Great Positions In Good Industries

Honeywell developed the first autopilot flight controller (1914), first commercial weather radar system (1954), first business jet turbofan engine (1975), and is still the leader in developing revolutionary technology for aerospace today

Honeywell began the Smart Homes project to combine heating, cooling, security, lighting, and appliances into one easily controlled system. They continued the trend in 1987 by releasing new security systems, and fire and radon detectors.

Honeywell is the leader in gas detection, fire systems, personal protective equipment, building controls, home comfort and security and scanning and mobility

Honeywell's technology is used to produce 40% of the world's liquefied natural gas, 60% of the world's gasoline, 70% of the world's polyester, and 90% of the world's biodegradable detergents

Highly Diversified, Technology-Driven Industrial Company

ABOUT SECURE CONNECTION LTD.

- Secure Connection boasts of a rich legacy of over Twenty-Five years of delivering world class products and breakthrough product innovations in the consumer technology products, consumer electronics, peripherals, and accessories space across global markets. Secure Connection has emerged as a global leader with a wealth of expertise in building brands, creating consumer stickiness, and delivering an enhanced experience that enriches a consumer's digital lifestyle
- We are committed to excellence at every step of the product development process and extending that further into our go to market strategy. Coupled with world class execution and a pervasive omni channel network, we deliver a seamless and scalable business model that benefits all stakeholders in the eco-system
- We currently offer a vast suite of products spanning consumer to enterprise segments – from enhancement products for smartphones to enterprise class infrastructure through our Structured cabling systems offerings. Today we service our customers across multiple geographies spanning in South Asia, Southeast Asia, Middle East Asia & Africa
- Secure Connection is an authorized trademark licensee for Honeywell International Inc. Under this trademark license we manufacture Honeywell branded 'Electronic Essentials' range of products across multiple categories, covering South Asia, Southeast Asia, Middle East Asia & Africa

COMPREHENSIVE RANGE TO SUIT EVERY NEED

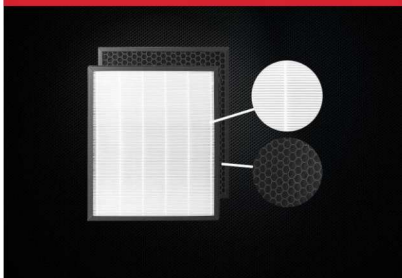

1. For the air that passes through the filter. Purification performance parameters are tested under specific third-party laboratory conditions with specific dust particles and formaldehyde gas as target pollutants. Overall particle reduction depends on many factors including the amount of air processed, the pollutant type and the pollutant introduction rate into the environment.

2. Air Purifier Ratings. (n.d.). Air Purifier CADR Ratings Scale | Convert Sq Ft Room to CADR. [online] Available at: <https://air-purifier-ratings.org/learn/cadr-ratings-scale/>.

AIR TOUCH ADVANTAGE

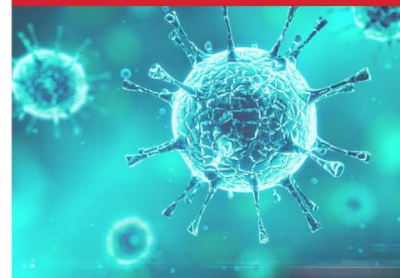

H13 HEPA FILTER

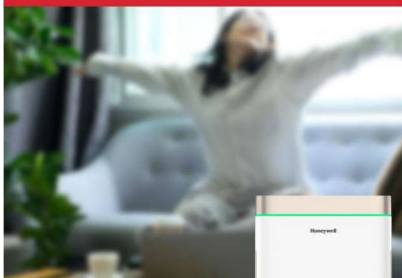

REMOVES 99.99% PM2.5 EFFICIENTLY²

REMOVES 99.99% OF MICROSCOPIC ALLERGENS²

EQUIPPED WITH HUMIDIFIER TO MAINTAIN IDEAL MOISTURE LEVELS IN AMBIENT AIR³

EQUIPPED WITH UV LED TO HELP KILL HARMFUL BACTERIA³

EQUIPPED WITH IONIZER TO HELP KILL HARMFUL BACTERIA³

AIR TOUCH V5 VALUE SERIES

- Real time PM2.5 level display & indicator
- CADR of up to 380 m³/h with coverage area of up to 589 square feet/ 55 square meters
- Advanced 4 stage filtration with 5 air changes per hour
- Compound Filter : Pre Filter, Nano-Silver Anti-Bacterial Filter, H13 HEPA Filter and Activated Carbon Filter
- 3 Air purifying speeds and Child lock
- Wi-Fi Smart App Control & Alexa Enabled
- Touch Control Panel
- Sleep mode with 2,4,6 and 8 hour automatic shut-off timer
- Filter change indicator & Reset button
- Filter life of 9000 hours or 1 Year
- Silent operation with noise level of 22 db/A at low speed
- 3D Air Flow
- Power consumption: 35W
- Power Voltage : 220-240V/50~60Hz

**2 Year
WARRANTY**

**NEW
LAUNCH**

AIR TOUCH V5 - 4 IN 1 COMPOUND FILTER

- Exclusively designed for Air Touch V5 Air Purifier.
- Unmatched purification with Pre Filter, Nano-Silver Anti-Bacterial Filter, H13 HEPA Filter and Activated Carbon Filter united in one compound filter.
- Pre Filter captures dust, lint, fibres, hair, and pet fur.
- H13 HEPA filter removes allergens and microscopic pollutants.
- Activated carbon filter absorbs pollutants, volatile organic compounds (VOCs) and odours.
- Anti-Bacterial filter captures $\leq 0.3 \mu\text{m}$ viruses and bacteria.
- Filter Life of Up To 9000hrs or 1year based on usage/pollution levels.
